The American Association of Information Technology Professionals (AAITP) is thrilled to announce an exciting event being presented by one of our esteemed members, [Sibasis Padhi](#)!

January 23, 2025

6:00–7:00 PM

Bentonville Public Library, Walmart Community Room

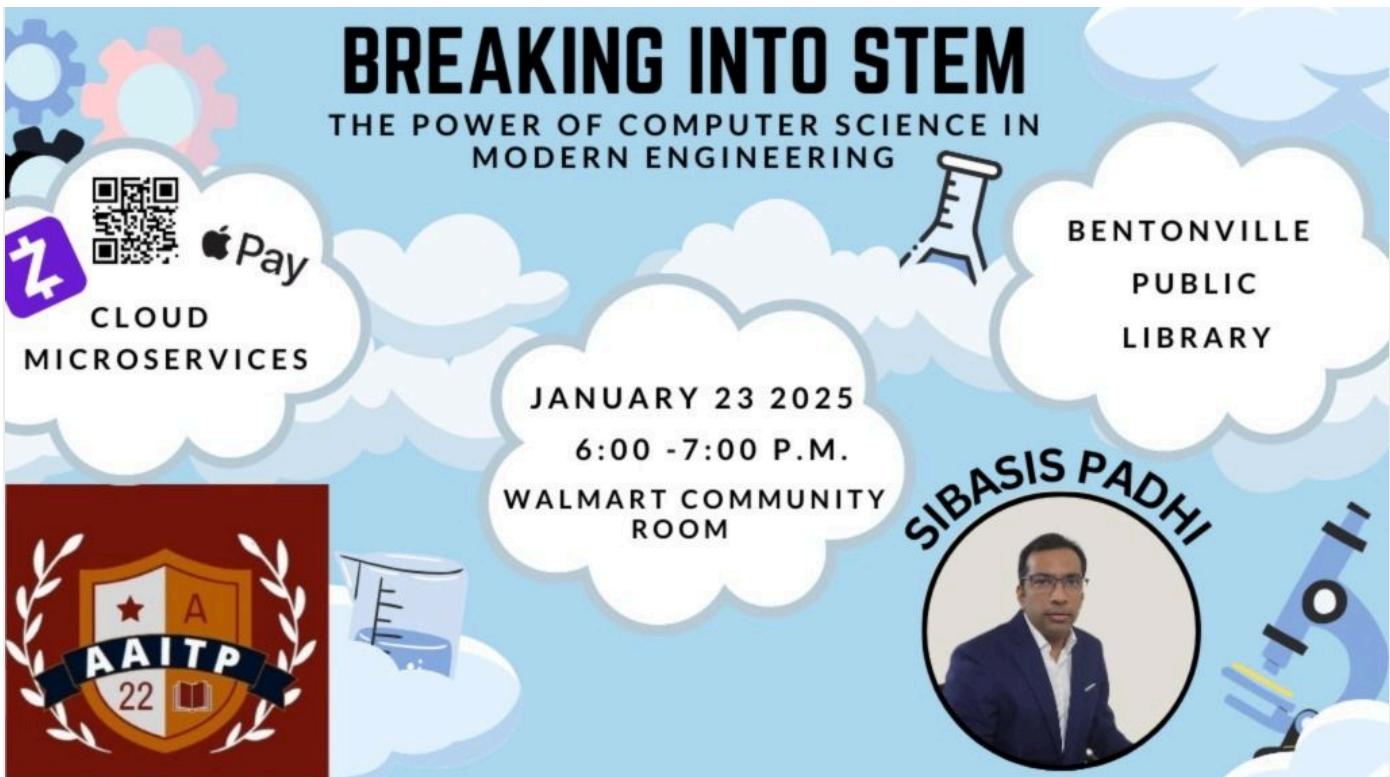

Join him for "Breaking into STEM: The Power of Computer Science in Modern Engineering", where Sibasis will share invaluable insights into the technologies shaping the future.

Learn how cutting-edge concepts like Cloud Microservices power everyday applications such as Zelle and Apple Pay. This session promises to be an incredible opportunity to dive into the world of modern engineering and technology innovation.

At AAITP, we are proud to celebrate the achievements of our members and support opportunities that inspire and empower the next generation of IT leaders and Young GenZ talent.

Let's come together to embrace curiosity, innovation, and the transformative power of technology. See you there!

American Association of Information Technology Professionals is proud to support our member **Sibasis Padhi** in his second invited talk at the **Bentonville Public Library** as part of their College & Career Summer STEM Series!

Session Title: Breaking into STEM – The Power of Computer Science in Modern Engineering

Date & Time: Thursday, July 24 at 6 PM

Location: Bentonville Public Library, Arkansas

In this engaging session designed for students in grades 7–12, **Sibasis Padhi** will explore:

How everyday apps like Zelle and GPay are powered by microservices

The evolution of cloud-native computing in FinTech.

Actionable career insights for students interested in technology and innovation.

With real-world examples and mentorship guidance, Sibasis continues to inspire the next generation of tech leaders, aligning with AAITP's mission to advance education and professional excellence in STEM.

Join us in congratulating **Sibasis Padhi** and **Bentonville Public Library** for their continued collaboration in supporting young minds!

**#AAITP #STEMEducation #FinTech #Microservices #TechMentorship #CloudComputing
#BreakingIntoSTEM #FutureEngineers**

The banner features a circular profile picture of Sibasis Padhi, a man with glasses and a beard, wearing a tan jacket. The event title is "Breaking into STEM: The Power of Computer Science in Modern Engineering". The date is "July 24, 2025 - Thursday" and the time is "6:00 - 7:00 PM CST". The location is "Bentonville Public Library, Walmart Community Room". The AAITP logo is in the top right corner.
